Under Departmental Reports: Water/Sewer Superintendent Robert Campbell briefed on the requirement of further additional testing for hardness of water above and below the Waste Treatment Facility discharge. Park, Rec & Wellness Director Jeremy Strub briefed that the estimate for the tennis courts is about \$146,000.00.

Neil Schrader & Jenny Hennessy of Hacker Nelson briefed the council on the results of the audit for the Fiscal Year ending June 30, 2017. Jenny Hennessy noted that the City didn't certify the equalization payment for the Fire Station with the county and that would be shown on the next TIF report.

Moved by: Lydon    Seconded by: Hatlan  
 To accept the audit results.  
 Yes: 5    No: 0  
 The Mayor declared the motion carried.

City Clerk Allen briefed the Council that Travis Squires couldn't make the meeting due to the weather and would be on the agenda for Feb 19<sup>th</sup>. Lyon presented a spread sheet on information on potential sewer rate increases and meeting the annual sewer bond payment which includes using an annual \$150,000 TIF payment. There was lengthy discussion on going to a monthly billing or looking at an estimated payment program. The discussion also covered changing out the existing water meters with a wireless read meter.  
 No Action Taken.

City Manager Dean Hilgerson briefed that funding for the Waste Water Treatment Facility using a CDBG grant of \$600,000.00 that the City would be eligible for if it met the threshold of the Low to Moderate Income City. When the last survey was conducted, the City missed the threshold by 0.6%. The request to seek proposals would be to conduct the survey, write the grant and administer the grant. The estimate of the survey would be around \$3,500.00.  
 Moved by: Lydon    Seconded by: Jones

City Manager Dean Hilgerson briefed the Council on State Revolving Loan Fund special projects and there is a meeting scheduled for Feb 15<sup>th</sup> with the Fehr Graham, local soil conservation representatives, members of RC&D and looking at potential projects. With an SRF loan for the Waste Treatment plant, the state has a program that 10% of the cost of the plant would qualify for special water projects and the City would be reimbursed with reductions on the interest for the Waste Treatment funding. Cost of writing the grant application is \$750.00.  
 No Action Taken.

City Manager Dean Hilgerson briefed that the pre-grant application for the former Tierney Building has been approved and the City needs to submit the final grant application. There was discussion on the potential uses of the building with one idea being to relocate the Chamber/WEDC/County tourism there and the potential use of the current Chamber/WEDC/County tourism building as a Police facility. There was discussion about how that would take the Tierney Building off the tax rolls. Other discussion dealt with the condition of the building and was it structurally sound and what is the final plan for the building.

Moved by: Jones    Seconded by: Lydon  
 To direct the City Manager to have a structural/architectural engineer to check the structural integrity of the building and not to exceed \$5,000.00 and to report back to the Council on Feb 19<sup>th</sup>.
