

COUNCIL ROOM-----October 19, 2020

The Waukon City Council met in regular session via an electronic meeting on October 19, 2020 at 7:00 o'clock P.M. in the council room of City Hall, 101 Allamakee Street and via Zoom technology. Mayor Pat Stone presided. The Governor of Iowa declared a public emergency because of the COVID-19 pandemic. It has been determined that if an in-person meeting is impossible or impractical, per Iowa Code Section 21.8, we are permitted to conduct a meeting by electronic means. Council members present: John Ellingson, Ben Rausch, John Lydon, Arvid Hatlan, and Gayle Decker. Council members absent: None. Others present: City Manager Gary Boden; Police Chief Paul Wagner; Street Superintendent Keith Burrett; Water & Sewer Superintendent Jim Cooper; Assistant City Attorney Kevin Stinn; WEDC- Ardie Kuhse; Fehr Graham- Lyle TeKippe; The Standard- Joe Moses; City Finance Director – Lana Snitker; Willie Henderson – Aveka, Sherry Welch – St. Pat’s School and citizens.

The Mayor called the meeting to order. The Mayor requested that item 8.f. (Aveka) be moved below 8.b. (Parking at Good Samaritan Society) under considerations/requests for direction.

Moved by: Lydon

Seconded by: Decker

To approve the consent agenda.

Yes: Lydon, Hatlan, Ellingson, Rausch, Decker
The Mayor declared the motion carried.

No: 0

Under Public Comments: Sherry Welch requested discussion on closing the street between the St. Pat's schools, 2nd Ave. SW. She stated people do not stop or slow down and she fears for the safety of the kids when they walk back and forth between the buildings. If closing the street is not possible, she wondered if there could be a different resolution such as a rolling stop sign, a radar speed sign or a speed bump. The council stated this was a topic previously discussed and that was why there is only parking on one side. Further investigation will occur and this item will be discussed at the next council meeting.

Under Department Reports:

Street Superintendent, Keith Burrett, briefed that leaf pick up will go until Thanksgiving or the first snow fall to stick. Park and Recreation, Wellness Center Director, Jeremy Strub, briefed that the FBLA will be using the campground for their haunted house. Police Chief, Paul Wagner, briefed about potential costs for cameras downtown. Water & Sewer Superintendent, Jim Cooper, briefed on fixing a water main and him and Mark Benda traveling next week for certification.

Mayor, Pat Stone, spoke about talking with homeowner's regarding tree removal and stumps and working with Corey Snitker on a plan of contact for future spills so there is a notification in process.

Council member, Gayle Decker stated he received a bid for the Tierney building removal. Ben Rausch mentioned there have been citizens asking about a camera and/or lighting being placed around the Freedom Rock. Ardie Kuhse mentioned those items are part of phase II and will be happening.

Moved by: Lydon

Seconded by: Decker

To approve the Police officer hire of Christopher Doeppke with a start date of November 1, 2020 at a rate of \$19.24 per hour.

The Mayor declared the motion carried.

There was discussion over the parking on the west side of the street at the Good Samaritan Society, Waukon. Arvid Hatlan and John Ellingson met with some Good Samaritan personnel at the Good Samaritan Society after the last

council meeting. It was concluded that safety would be a concern as well as the parking would create a sidewalk issue. There was also discussion about the current sidewalk being torn out with no replacement.

Moved by: Hatlan

Seconded by: Rausch

To not approve project due to safety concerns and that being a critical access street for the hospital.

The Mayor declared the motion carried.

Willie Hendrickson is acting as the plant manager in Waukon and briefed the council on the proposal he sent regarding a Sewer Abatement Plan for Aveka. The proposal is to build a special system to hold waste to test it and release it after testing. An additional building would be built with silos being added to the property and putting up the testing facility to control the waste. Concerns were mentioned regarding stopping the spills if they are due to employees. Willie stated they hope a two-man operation will help solve that. He also plans to have more training occur. Jim Cooper stated he thinks it is a good plan but a formal plan will need to be provided to DNR for approval due to the recent fish kill. Council would like to see this completed by the end of May and for Willie to keep in contact in March/April regarding status. The council also requested Willie to attend the December 7th council meeting to update on how securing equipment is going.

No action taken.

There was discussion regarding repairing the south wall and foundation on the Tierney building. Council members stated they would like to wait to see if the grant is received before they put money into the building for that repair.

No Action Taken.

Gary Boden briefed the council about a contract to hire Katie Nolte to write a FHLB grant for the development of the Bresnahan property.

Moved by: Lydon

Seconded by Ellingson

To approve the hiring of Katie Nolte for the FHLB grant.
