Under Public Comments: Ardie Kuhse, WEDC, commented that the Christmas Fantasy was finishing up and it was a success. She also commented that she has contacted Iowa Works to assist with dislocated employees at the Mayo Clinic. There will be a worker information meeting Tuesday of this week.

Under Departmental Reports:

Police Chief, Paul Wagner, briefed that the Assistant Police Chief, Luke Inglett, is attending background investigation school.

Street Superintendent, Keith Burrett, briefed that Christmas lights will be up next week, in time for the Holiday Parade on Monday, December 2nd. His department will also be putting snow fence up next week as well.

Water & Sewer Superintendent, Jim Cooper, briefed that his department handled a water main break on West Street and sends a shout out for a job well done! There have been some complaints on the snow piling up on the Kwik Star side of the plaza. There is nowhere to put the snow from the new sidewalk located there. Cooper suggested going behind Bob Irons rental house in order to replace a sewer line at that location. It will keep from having to dig up a lot of street. He also gave a brief update on the Wastewater Treatment Plant Project.

Park, Recreation & Wellness Director, Jeremy Strub, briefed that with the cool down in weather, business at the Wellness Center has increased. He expects this to continue through March. After meeting with Library Director, Cate St. Clair, he briefed that the Park & Recreation Department will take over the clearing of snow at the library. This will be addressed with the budget process. The Turkey Trot will take place again this year on Thanksgiving morning.

Mayor, Pat Stone, briefed that he recently attended a WEDC and Fire Board meeting.

City Council Member, Arvid Hatlan, briefed that he had received compliments of the job the Street Department did clearing the new sidewalk by the fire station.
