

# **Want to get the latest announcements, cancellations, etc. for the Winter Park & Rec sports?**

**\*\*Park & Rec is no longer using the Remind texting app. We switched to a different app called "Heja." Here are the instructions for NEW & RETURNING USERS to join Bidy Basketball:**

## **NEW USER**

**DOWNLOAD the Heja app (green icon --- says sports team communication under Heja) & join Bidy Basketball 2021-2022 now!**

**-Once app is downloaded, open the app and you will need to click "JOIN TEAM." You will be asked to enter the team code. Here is the code:**

**\*Bidy Basketball 2021-2022 Code: ID-246343**

You will be asked a few, simple questions after downloading the app to be able to join the group. Make sure you **TURN NOTIFICATIONS ON** when it asks you otherwise you **WILL NOT** see when an announcement is posted! Following these steps will get you joined to the group. **At least ONE parent in the household should be signed up to receive notifications/cancellations!**

## **RETURNING USER**

**1) Open the Heja App.**

**2) Click on the bottom tab where it says "Team." You should also see Chats and Schedule at the bottom.**

**3) Once you click Team, you will see a button on the top right-hand corner that says "My Teams." Once that is clicked, it will display which teams you have joined previously PLUS it will indicate whether you want to Create Team or Join Team.**

**4) You want to click "Join Team." It will then ask you to enter the team code. The Bidy Basketball 2021-2022 Code is ID-246343. Once entered, click Continue. The next screen will show "Bidy Basketball 2021-2022" and show the number of team members in the group. Under that, it will say JOIN TEAM. Click "Join Team." NOTE: At any point that it asks you about turning notifications on/off, make sure you TURN NOTIFICATIONS ON otherwise you WILL NOT see when an announcement is posted!**

**5) The following screen will ask if you are a parent or not. Make sure to click YES, so that you register your son/daughter as a PLAYER and yourself as the PARENT. If you click NO, it will register you (parent) as the player. (FYI, it's not a huge issue if you get it backwards.)**

**6) Once the previous steps are followed, you will be added to the group! At least ONE parent in the household should be signed up to receive notifications/cancellations!**

**NOTE: YOU MUST DOWNLOAD THE APP TO SEE ANNOUNCEMENTS/CANCELLATIONS, ETC.**
