The Mayor declared the motion carried.

The Mayor announced that this was the time and place for the public hearing on proposed amendment to Waukon zoning ordinance. The City Clerk announced that no oral or written comments were received. The Mayor declared the hearing closed.

Under Public Comments: There were no public comments.

Hatlan returned to the meeting during Departmental Reports.

Under Departmental Reports:

Street Superintendent, Keith Burrett, briefed regarding the street light at 12th Street NW. Keith contacted REC for prices, if installed by them they would maintain it. It would be installed in the Spring. We've hired out to have snow hauled because we don't have the manpower to do it.

Water & Sewer Superintendent, Jim Cooper, briefed that they will continue to monitor temperatures of the water at the distribution system and the towers. The heater at the pump house went out last week. It is recommended we get a new one. It will cost \$2,900 to install a new one.

Park, Recreation & Wellness Director, Jeremy Strub, briefed that there is a leak in the roof needing repair. He is checking if it is still under warranty.

City Manager, Dean Hilgerson, briefed that the presentation regarding the sidewalk survey is postponed until February 18th. He met with the Allamakee/Clayton REC group working on a plan in conjunction with our broadband committee to develop a proposal for broadband service to the city. A survey will be sent out city-wide to determine interest in the service. The contract for the Wastewater Treatment Plant is expected to be signed February 18th pending the approval of the Environmental Impact report. The Department of Transportation (DOT) project bid letting was held January 16th. The City has received the tabulation results and they will be noted further down the agenda.
