The Mayor announced that this was the time and place for the public hearing on Southeast Urban Renewal Plan Amendment- Tennis Courts Project. The City Clerk announced that no oral or written comments were received. The Mayor declared the hearing closed.

Under Public Comments: John Hitner requested to speak at the time Item 20 (Waukon Industrial Park Sidewalk Project) was discussed.

Under Departmental Reports:  
Police Chief, Phil Young, briefed that there have been fake \$100 bills reported.  
Street Department Superintendent, Keith Burrett, briefed that the end of the core outs are done. Also, the emulsion machine had a heater out needing repair.  
Park, Recreation & Wellness Director, Jeremy Strub, briefed that the summer recreation program is in full swing. There have been three weeks of Music in the Park performances. They are still having some issues with the pool heater. He expects to obtain pricing and look into replacing the heater next summer. He'd like the Street Department to consider use of their old truck by the Park & Recreation Department.

City Manager, Dean Hilgerson, briefed that door hangers would be placed to let homeowners know that they should not be mowing the recently placed sod along the boulevard. It should be left to grow. Excavators for the Wastewater Treatment Plant Project are expected back this week. The DOT Street Project is proceeding. Street lights are going up. There is a water main leak by the Plaza which will be repaired next week. There will be an announcement Monday as to whose water will be shut off. It's expected to be off for a couple of hours.

John Hitner addressed the Council. He felt there was a better alternative to the location of the sidewalk for the Waukon Industrial Park Sidewalk Project. The Mayor, Pat Stone, explained his reason for vetoing resolution(s) No. 3439 and No. 3440. Roger Mohn, Mohn Surveying, presented a third set of plans for the Waukon Industrial Park Sidewalk Project. Along with other changes from the two plans previously presented, he explained that twenty-six trees would need to be removed. Trees Forever representatives, Dr. Kenneth Olson and Joe Cunningham, expressed their concern of keeping the trees along the walking trail and the original plan that was presented to the Council at that time. Joe Cunningham felt a more comprehensive look needed to be taken regarding lighting, trees, street, stores along the street, and the speed limit.  
Moved by: Lydon  
To override veto and accept the second set of plans with sidewalk next to the curb.  
The Mayor declared the motion died for lack of a second.
