

Want to get the latest announcements, cancellations, etc. for the Summer Park & Rec sports?

**Park & Rec is no longer using the Remind texting app. We switched to a different app called "Heja." Here are the instructions for NEW & RETURNING USERS to join Baseball, Softball and/or Swim Team.

NEW USER

DOWNLOAD the Heja app (green icon..says sports team communication under Heja) & join **K-7th Grade Baseball 2022, K-7th Grade Softball 2022, and/or Swim Team 2022 now!**

-Once app is downloaded, open the app and you will need to click "JOIN TEAM." You will be asked to enter the team code. Here are the codes:

***K-7th Grade Baseball 2022 Code: PK-468342**

***K-7th Grade Softball 2022 Code: KR-259550**

***Swim Team 2022 Code: DL-808927**

NOTE: YOU MUST DOWNLOAD THE APP TO SEE ANNOUNCEMENTS/CANCELLATIONS, ETC.

You will be asked a few, simple questions after downloading the app to be able to join the group. Make sure you **TURN NOTIFICATIONS ON** when it asks you otherwise you **WILL NOT** see when an announcement is posted! Following these steps will get you joined to the group. **At least ONE parent in the household should be signed up to receive notifications/cancellations!**

RETURNING USER

1) Open the Heja App.

2) Click on the bottom tab where it says "Team." You should also see Chats and Schedule at the bottom.

3) Once you click Team, you will see a button on the top right-hand corner that says "My Teams." Once that is clicked, it will display which teams you have joined previously PLUS it will indicate whether you want to Create Team or Join Team.

4) You want to click "Join Team." It will then ask you to enter the team code. The Baseball Code is PK-468342. The Softball Code is KR-259550. The Swim Team Code is

DL-808927. Once entered, click Continue. The next screen will show either "K-7th Grade Baseball 2022", "K-7th Grade Softball 2022", or "Swim Team 2022" and show the number of team members in the group. Under that, it will say JOIN TEAM. Click "Join Team." NOTE: At any point that it asks you about turning notifications on/off, make sure you TURN NOTIFICATIONS ON otherwise you WILL NOT see when an announcement is posted! If you have a son playing baseball and a daughter playing softball, you will have to go through the process twice in order to join both groups.

5) The following screen will ask if you are a parent or not. Make sure to click YES, so that you register your son/daughter as a PLAYER and yourself as the PARENT. If you click NO, it will register you (parent) as the player.

6) Once the previous steps are followed, you will be added to the group! At least ONE parent in the household should be signed up to receive notifications/cancellations!

****If you have any questions, please ask Kim by emailing waukonparkrec@gmail.com or texting/calling 563-568-7131.**
