The Mayor declared the motion carried.

The Mayor announced that this was the time and place for the public hearing on proposal to enter into a Sewer Revenue Loan and Disbursement Agreement. The City Clerk announced that no oral or written comments were received. The Mayor declared the hearing closed.

The Mayor announced that this was the time and place for the public hearing on proposal to enter into a General Obligation Sewer Improvement Loan and Disbursement Agreement. The City Clerk announced that no oral or written comments were received. The Mayor declared the hearing closed.

Under Public Comments: Brooke Troendle, Walk-On Waukon group, asked if the City came to a conclusion on how much the City planned to a lot for sidewalks. The group wants to continue moving forward and not lose the \$25,000 grant they have been granted. She was assured there were funds budgeted for improvements such as sidewalks.

Under Departmental Reports:

Police Chief, Phil Young, briefed on receiving forfeiture money that will be used for replacing guns. He mentioned that current staff consisted of 5 officers. Officer, Jeremy Wicks, had recently resigned. He's received a few applications for a new officer that are being reviewed.

Street Superintendent, Keith Burrett, briefed on recent maintenance on the 1991 maintainer for approximately \$1,500. There were a number of breakdowns on other equipment. He mentioned purchasing a skid-steer loader. This item will be placed on the next agenda for consideration.

Water & Sewer Superintendent, Jim Cooper, shared the Monthly Operating Reports (MORs) from the wastewater treatment plant for the months of July through December 2018. The study showed 7 effluent violations to the NPDES permit. The sanitary sewer flow study completed by the City has identified areas of the collection system that are allowing the most infiltration and inflow to enter the system. The City intends to televise those areas and develop a strategy for reducing infiltration and inflow.

Park, Recreation & Wellness Director, Jeremy Strub, briefed that last week the technical part of the tennis courts grant through the US Tennis Association was approved. The grant process will be completed in a couple weeks. The grant could amount from \$40,000 to \$50,000. This would allow the City to put the project out to bid in the next two months and build the courts starting this summer. The Mayor asked if the City employee providing snow removal at the Wellness Center would have time to remove snow at the Library as well. Pat mentioned the benefits of having City employees do the removal rather than hire out to a third party.

Moved by: Rausch

Seconded by: Hatlan

To agree to the resolution to transfer \$924 from the Southeast Urban Renewal Area Tax Increment Revenue Fund to the Administrative Costs Tax Increment Sub Fund for additional administrative costs incurred during January, 2019.
