Under Public Comments: There were no public comments.

Under Departmental Reports:

Police Chief, Phil Young, briefed that they are still working on doing background checks on the last couple of applicants. An interview was performed today and went well.

Street Department, Pat Egan, briefed that a storm sewer will need to be addressed in front of Krambeer Barber Shop and Waukon State Bank.

Water & Sewer Superintendent, Jim Cooper, briefed that two weeks ago the DNR performed an inspection on the water side. It resulted in no violations and it went really well.

Park, Recreation & Wellness Director, Jeremy Strub, briefed that the pool is open for the season. They are having some issues with the pool heater. The rest of the summer recreation programs have started. Last Wednesday was the first Music in the Park program with entertainment from the Toe Tappers.

City Manager Dean Hilgerson briefed on a meeting held to review the SRF special water projects, streambank stabilization. The DOT Street Project is proceeding. They are currently working on the landscaping and sodding. The position for the full-time City Manager position was posted last week. Board of Adjustment and Planning & Zoning minutes are in the packets. The Community Facilities Project Committee met to prioritize a project. As a committee we asked that the Northeast Iowa RC&D (Resource Conservation & Development) prepare a report for a police station as a Community Facilities Project. In the next day or two, a storm sewer will need attention on West Main.

Ellingson joined the meeting via phone.

Roger Mohn, Mohn Surveying, handed out the bid tabulation sheet for the Waukon Industrial Park Sidewalk Project.

Jesse Delaney, Skyline Construction, presented an argument that he was the only contractor bidding to properly acknowledge the addendum to the plans and specifications. He felt the other three bids should be thrown out, that his bid was under the estimate, and that they should be awarded the job. Mohn noted there were two parts to the addendum- the bid form eliminated item 13 for engineer estimate and contingencies, and on the front page a typo on the project and the type of block was corrected. Jim Garrett stated all four bidders used the revised bid form. He felt an error of this type didn't make a difference what was bid and under the specifications the City reserves the right to waive if irregularities and/or technical deficiencies. He saw no problem accepting the low bidder.

Arvid Hatlan brought up the location of the sidewalks. Dean Hilgerson confirmed there are minutes that state the decision of where the sidewalk would be placed.

Moved by: Decker

Seconded by: Hatlan

To accept the Skyline bid of \$97,996.85, being the only ones to acknowledge the addendum correctly. Skyline bid is below the engineer's estimate. The location of the sidewalk to be modified and moved away from the street.
